### WARNINGS

Handle with care. Store away from food and feed. Keep out of reach of uninformed persons, children and pets. Toxic to fish and bees. Although this remedy has been extensively tested under a large variety of conditions, failure thereof may ensue as a result of a wide range of reasons. If this is suspected, seek veterinary advice and notify the registration holder.

### PRECAUTIONS

Avoid contact with eyes and mucous membranes. Wash hands thoroughly after use.

### PRECAUTIONS

This product contains a synthetic pyrethroid and a synergist. Treat symptomatically.

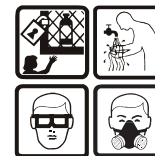

### DIRECTIONS FOR USE USE ONLY AS DIRECTED.

Dust dog thoroughly, gently working the powder into the hair. Brush out excess. Avoid direct contact with the eyes and mouth. It is preferable to treat the dog out-doors.

Do not use on pets bedding.

### FREQUENCY OF USE

Repeat as needed, i.e. every 3-4 days, depending on the tick or flea challenge.
