& STUBBORN
STAINS

BREAKS DOWN DIRT AND STAINS
READY FOR WASHING

Pre-Wash gently removes all dirt, cuff and collar grime, grease and general stains from washable clothes. Remember to act quickly to treat stains before they set.

DIRECTIONS: Lift flip top and spray on soiled area - saturate thoroughly. Do not allow Pre-Wash to dry after application. After one minute wash the garment in normal way. Severe stains may require more than one application.

CAUTION: Store upright. Keep out of reach of children. If sprayed in eyes or on skin rinse thoroughly with water. If irritation occurs contact a doctor.
